

MOZAMBIQUE FOR THE KINGDOM

TANNEKEN FROS

DECEMBER 2023

Greetings of Shalom! I thank the Lord for all of you and how you are a part of this ministry that now is expanding to the 3 countries of Mozambique, Malawi, and Zimbabwe.

During the summer months of this year one of the themes at Harvest Community church, my sending church, was "Seek ye first the kingdom of God and His righteousness and all else will be added unto you." Matthew 6:33. As I was focusing on that theme I was reminded that Mountain of Praise Church was founded with that verse out of the orphan ministry. During these days I kept "hearing in my inner ear" the orphans singing in Portuguese in their high angelic voices these verses plus "Hallelujah" the refrain to the song "Seek ye first the kingdom of God". It brought such encouragement and comfort to me.

Through your generous contributions you have helped to advance the Kingdom though orphan care and church planting with discipling. May God bless you richly.

The children are learning how to grow corn, one of the main staples of their diet. In this picture they are weeding the corn field which is right on the ACPO (Christian Association to Help Orphans) property.

In this photo the older girls Mimi and Belinha are learning to cook for the orphan children. Mama Rego is standing behind giving instructions.

Below the orphans are learning their colors and numbers by playing the game, UNO. Thank you to all the VBS donors who have graciously given to help the children learn their numbers and colors through games.

These two little orphan girls are enjoying their tea party together.

Caring for orphans, training disciples and planting churches in Mozambique.

2023 District Conferences

During the months of June, July and August, Pastor Rego and the national leadership team traveled between five districts to teach, equip and send forth 100. They were anointed and sent out with the laying on of hands as pastors, evangelists, teachers of the word, preachers, deacons, secretaries and counselors. The materials that they used I had requested from Ruven and Yanit Ross, Making Disciples International. The trainings were translated into Portuguese and much desired!

Let us pray that these many men who were anointed to do the work are protected and that they are faithful to do the work the Lord has called them to do.

Prayer Requests

- Pastor Rego as he recovers from a stroke.
- That more of our high school graduates realize the need for further education and have a desire to pursue it.
- Mountain of Praise Church leaders in Mozambique, Malawi, and Zimbabwe.
- That the orphans are taken care of well and will know Jesus as their Savior.

Thank you for praying with us!

Opportunity

Friends, we have an opportunity to partner with the Mozambique Church by assisting with the medical expenses of Pastor Rego. Due to his stroke he has hospital and therapy expenses. If you can help, send your gift now so Pastor Rego can get the best care possible. Thank you!

At this Christmas time, I greet you with much love and a thankful heart. Let us continue to be faithful with what God has given us to do in orphan care.

Thank you for being part of Psalm 68:5-6a which says "A father to the fatherless, a defender of widows, is God in his holy dwelling. God sets the lonely in families." May your New Year be filled with peace, love, and joy.
