

MOZAMBIQUE FOR THE KINGDOM

TANNEKEN FROS

JULY 2023

Greetings of love and joy to all my family, friends, and partners in the God-given mission of caring for orphans and spreading the love of God and His salvation in Jesus Christ wherever He opens the doors. In these days I feel strengthened and encouraged by God's promises in Deuteronomy 10:18 "God defends the cause of the fatherless and the widow and loves the foreigner residing among you." In this newsletter I want to list with photos and short descriptions how all of you have been a part of this promise of God that He would defend the cause of the fatherless through your prayers and financial gifts. How can I, on behalf of the ACPO mission to orphans and the Mountain of Praise Church thank you enough but to say a big thank you and God bless you.

The new dorm to house 30 to 35 boys is almost completed. Beds are being built so that each child can have his own bed.

All the orphans are going to school and many of their needed supplies have been met—school bags, uniforms, sandals, and more.

Through a generous donor we have been able to purchase various food items to improve the children's nutrition and to start raising ducks to have more eggs.

We give God the glory that Mountain of Praise Church is expanding like it has never done before. The nationals are going forth preaching the gospel and planting churches. This year instead of having one location for a national conference the pastors will be divided into groups for regional training. This way they will reach many more of the over 160 churches just in Mozambique. We also thank the Lord that the worship training center in Zimbabwe will be completed this year.

Caring for orphans, training disciples and planting churches in Mozambique.

2023 Youth Seminar

We thank everyone who made the 2023 Youth Seminar possible! In May, 160 youth from Mountain of Praise Churches, gathered in Dondo. Apostle Rego taught with excellence and wisdom as he was inspired by the Holy Spirit. Apostle Rego had the vision of forming the National and Provincial-Sofala Youth Leadership team and he said that this leadership will help the work of the parents. Young people are being used very strongly by the power of the Lord, because in these days we live in it is a time of power, prophecies, dreams and visions for them.

The youth received personal Bibles and boxes of World Missionary Press booklets to distribute in their villages.

We are praying that Youth Seminars will continue to happen in the years to come. Below are testimonies of 3 youth who attended.

The young people from Muanza who participated in the youth seminar, hereby show their enthusiasm and gratitude to all those who made an effort to make the youth seminar take place, and wish that God the Creator blesses you abundantly. We young people left well informed and transformed by the power of the Holy Spirit, saying that we learned many new things in order to carry the gospel forward. We thank Apostle Rego who had the vision to teach young people (the present and future of the church). May the Lord God give more years of life to our leader.

-Brother Lucas Zinor, District of Muanza

First, thank God for life and health, and also thank you for the opportunity to be able to attend this seminar. Thanks to all who helped us to finance this seminar and to Apostle Rego. In this seminar that had as its theme "Young Visionary", I had the opportunity to learn a lot, among which "Being Young with Purpose and Determination". These teachings encouraged me a lot in what are the purposes that God has for me. The seminar was a grace and wonder of our Lord Jesus Christ. The challenge I have now as a young person is to teach and help other young people who didn't have the same opportunity to be in seminar and learn everything I learned, and help them to have purpose in God's love, so that we have spiritual vision.

-Sister Amelia, District of Manica

I thank God for everything he has done in my life. I thank the loved ones who were able to help us with money to support this seminar, the Lord Almighty may add and multiply your goods. The seminar made me feel that God has big plans and life plans for me and for every young person who believes in Christ as their Savior. It was a moment of much learning and revival with all the other young people who came from various provinces and districts. I thank the servant of God – our Apostle Rego for wise teaching.

-Brother David, District of Marromeu

I thank Harvest Community Church and the many of you in other churches that have partnered with TCF Mercy and myself for so many years. I am continuing to do this full-force from the United States, alongside the Mozambicans and all of you. Partnering together in Kingdom mission, Tanneken
